Frequently Asked Questions

- **How much of a deposit is required?**
We require a \$200.00 deposit to formally book your date with the remaining balance due 2 weeks prior to your event. Please note that the deposit is non-refundable. When you reserve your date, we assign a specific booth and attendant for your event right away. We also get started on designing your custom print template. In some cases, we may need to turn others away if we're fully booked for the date that you have reserved
- **Do you charge extra for set-up and tear-down?**
No. We require at least 1 hour to set-up and will be ready to go at the designated start time. Overtime is available at \$100.00 per hour. Idle time is billed at \$35.00 per hour. Ask us for details
- **What are the power requirements for the Photo Booth?**
Our photo booths only require a single plug-in from a standard 15 amp household circuit. The booth only draws about 4 amps
- **How long until the Online Gallery is ready?**
Pictures are uploaded within 48 hours. Guests are directed to the gallery with a small message printed on their pictures
- **Do you charge a travel fee?**
For events further than 35 miles outside of metro-Milwaukee, there is an additional travel fee of \$35.00 per hour (one way)
- **Your photo booth is seemingly so much better than others, why is it also less expensive?**
Our booth experience utilizes today's technology. This includes an Open or Enclosed Booth (your choice) and immediate sharing of pictures via text or email. We know that we have a competitive edge over other companies and we pass the savings on to you!
